the **Henry Ford**

America's Greatest History Attraction®

This is where American history lives. Not just dates and names. The *Henry Ford Museum* is filled with history that inspires; history that tells the stories of men and women whose vision and courage changed the world around them.

Listen to fascinating stories about Henry Ford and how his passion for collecting grew into a museum that celebrates American Innovation. It's a vast building – 12 acres under a single roof – that is home to everything from the bus where Rosa Parks sparked the nation's social conscience to the Kennedy Presidential Limousine, to a rare reproduction of the Declaration of Independence, the Lincoln Chair, an Allegheny locomotive and a DC-3 airplane. Visit [www.TheHenryFord.org](http://www.TheHenryFord.org).
